Principal’s Report

School Security  Just a reminder to parents that the school security phone number is: 1300 880 021. If you see anyone on the school grounds (who you feel shouldn’t be on the grounds) and you are unable to find Miss Gray or Mr Cormack then please ring this number and a security guard will turn up and ask them to move on.

Interviews and Reports- Our Semester 1 Reports are being finalised and will be sent home in the last week of term. In an attempt to make our school reports more parent friendly we have revamped the English and Mathematics sections to look more like the kindergarten reports, with skills/outcomes listed rather than written paragraphs. Parents of some of our special needs students are being contacted to arrange a meeting to work on their child’s individual learning programs with class teachers and members of the Learning and Support Team. These will take place on Monday 22\textsuperscript{nd} and Thursday 25\textsuperscript{th} June.

Reminder Before School Procedures: Please drop your children in the playground before school (no earlier than 8:45). Kindergarten meet in the green area, all other children walk themselves to their classes when the bell goes. We ask that parents do not come into the building and congregate outside classrooms as there is no space and it creates an OH&S issue. The children keep their bags and belongings with them in the playground until the bell goes and they come in. It is a part of learning to be responsible and look after their belongings.

Grazie to Italia (Nicoletta’s & Gabriel’s mum) for helping make la giornata italiana a huge success and apologies it’s a week late, but it did give me an excuse to put another Italian photograph in the newsletter!

Hope you are all surviving the cold!
